

The **International Association of Coroners & Medical Examiners** has over 70 years of experience in the presentation of educational seminars for the purpose of assisting Coroners and Medical Examiners in the performance of their duties. This commitment is enshrined in the Association's mission statement, "The International Association of Coroners & Medical Examiners is committed to advancing the accurate determination of the cause and the manner of death through the utilization of science, medicine and the law." This association provides a valuable opportunity to network with Coroners, Medical Examiners, Deputy Medical Examiners and their staff.
